PLEASE help me raise $25,000 for the shelter animals at this year's WALK - EVERY DOLLAR HELPS!!

I am walking in the Action for Animals Humane Society's "Walk for the Animals" on Saturday, September 13, 2025, at Twin Lakes Park (Pavilion #20) in Latrobe to raise funds for Westmoreland County's oldest no-kill animal shelter, Action for Animals (located at 386 State Route 217 in Latrobe PA) and I need your help! The shelter has been providing animal rescue, low cost spay/neuter and monthly low cost shot clinics, adoption, education programs and community services since 1983 with no government funding. Please consider a pledge to help AFA continue their good work in rescuing and taking care of 1,000 animals each year. You can learn more about the AFA shelter at www.afashelter.org. THANK YOU!!
